

Connected and Stronger Together with PTSA

Why Join the PTSA?

- To feel connected and get the inside scoop! Our PTSA holds quarterly association meetings that include updates by Westview administration, including the principal and teachers/staff.
- To support the largest and oldest child advocacy association in America - the National PTA
- To support the amazing programs the Westview PTSA provides, including: mental wellness seminars for parents/caregivers; Giving Tree program supporting Westview's families; therapy dog visits for students; Reflections Arts Program; staff appreciation events; scholarships for graduating seniors; staff grants; Grad Nite - which provides a safe and fun celebration the night of graduation. And much, much more!
